

FREE Tours and Civil War Display at Holme Pierrepont Hall

Monday 3 September

10am until midday or 2pm until 4pm

Holme Pierrepont Hall is offering FREE places on VIP Tours of the privately owned historic house and garden. The Hall dates from 1510 and has miraculously stayed in the same family through 5 turbulent centuries of history. In 2017 The National Lottery provided a grant to carry out much-needed repair work to the crumbling walls.

There will be a chance to see the results of a Heritage Lottery Funded project which has enabled the 16th century courtyard walls to be conserved, the history of the gardens to be researched and new information panels and signage to be installed.

You will also be able to join a guided tour of the house including a Civil War display covering the fascinating story of the Pierrepont brothers who were forced to fight on opposing sides.

Admission by advanced booking only.

To book, please visit holmepierreponthall.com and click on the link in the events section
